Handle, manipulate and enjoy using materials. Create simple collages, using paper, pasta, beans and larger tactile things. Select, sort, tear and glue items down.	Understand that collage is the art of using elements of paper to make images. Combine collage with making by cutting and tearing drawn imagery, manipulating it into simple 3D forms to add to sculpture. Develop skills of overlapping and overlaying to create effects. Consider the placement of shapes to create a more accurate picture/scene.	Understand that we can combine collage with other disciplines such as drawing, printmaking and sculpture. Continue experimenting with creating mood, feeling, movement and areas of interest.	Select and use materials to achieve a specific outcome. Consider the composition, curation and texture of collage. Use found and constructed materials to achieve a specific outcome.
