Activity Clubs

Autumn Term 1 26-27

Friday

Club	Year Group	Time	Duration and Cost	Bookings
No clubs				

To secure a place for your child on any of the staff led clubs listed above, please book and pay via School Gateway. Confirmation of booking **and** payment on School Gateway is also confirmation that your child has a place. Please be advised that you must book prior to making a payment. Payment received without a booking will not secure your child's place.

Spaces are limited for all clubs listed so please book early to avoid disappointment. These will be offered on a discretionary first come first served basis. If you are unable to make a booking, places will have already been reserved.

For teacher led clubs taking place in the classroom, please collect your child from the main reception. For clubs taking place outside, please collect from the playground gate (by the bike shelter).

If a club needs to be cancelled in the event of bad weather, coaches will endeavour to arrange an alternative date. If this is not possible, please be advised that external providers are unable to offer a refund.

Children are welcome to attend the NEST once the club finishes. Please ensure that you book the correct session that day - After Activity Club session 4.30-5.45pm.
